Last day for reduced rates: Monday, 15 September 2008
Last day to advance register: Thursday, 9 October 2008

To qualify for reduced rates, registration forms must be sent by Monday, 15 September 2008 - that is, sent online, faxed, or postmarked by that date. The last date to advance register by fax, mail, or online is Thursday, 9 October 2008. After that, you can register at the Conference.

In past years, OOPSLA Tutorials have sold out very early. It is strongly recommended that you register well in advance of the September 15, 2008 deadline. No telephone registrations will be accepted.

Online registration is available at: <http://oopsla.acm.org>

What Your Registration Includes

OOPSLA registration includes admission into OOPSLA Technical Sessions (Tuesday, Wednesday, & Thursday), OOPSLA Welcome Reception, one Special Event ticket, and OOPSLA/GPCE CD Proceedings.

ALL ACCESS PASS includes OOPSLA, Educator's Symposium, unlimited tutorials, a Full Set of Tutorial Notes CD, and lunch every day. AAP holders may pre-register for up to 9 specific tutorial units and will receive tutorial notes for these.

GPCE registration includes admission into GPCE Technical Sessions, GPCE Welcome Reception, and OOPSLA/GPCE CD Proceedings.

TUTORIAL registration includes admission into the selected Tutorial, one copy of the Tutorial Notes for that session, and Lunch for the day of the selected Tutorial. However, tutorial participants who wish to attend other non-tutorial OOPSLA offerings must register for the conference.

EDUCATORS' SYMPOSIUM registration includes admission into the Symposium, the Educators' Symposium notes, and Lunch on the day of the Symposium.

WORKSHOP participants must be accepted into the workshop and register for the OOPSLA conference or a one-day OOPSLA conference on Tuesday, Wednesday or Thursday.

Panelists, Session Chairs, and Speakers must register and pay for the OOPSLA conference.

STUDENT conference registration includes admission into Technical Sessions, Tutorials, Welcome Reception, and the CD Proceedings. Student fees do not include the Special Event ticket.

Tutorial Registration for Students: Students may attend tutorials of their choice free of charge, and tutorial notes will be available for sale in the registration area. Seating availability will be determined first-come first-served outside the tutorial rooms, ten minutes before the start of each tutorial. Please note that seating priority will be reserved to confirmed Student Volunteers, and tutorial lunches are not included in the student fees.

Students wishing to guarantee seating in tutorials may purchase seats at the regular rates published for ACM members and non-members.

DesignFest® participants must provide their email addresses so they may be contacted for scheduling.
